

IN THE UNITED STATES DISTRICT COURT
FOR THE MIDDLE DISTRICT OF NORTH CAROLINA

Plaintiff, United States of America

v.

Defendant, Brian David Hill

Criminal Action No.
1:13CR435-1

DEFENDANT BEGS PROBATION OFFICE

The Defendant begs the U.S. Probation Office to reinstate his Supervised Release immediately, withdrawl the Petition on the fact USPD Kristy Burton lied and the Defendant violated no conditions, and asks that his newly assigned Probation Officer for the following:

1. That Brian D. Hill be allowed to continue using his personal computer (PC) without the internet (as Kristy Burton already approved of) for the purposes of conducting lawful activities such as documenting, gathering and organizing evidence to aid the Defendant in proving his innocence for the 2255 Motion with his Pro Bono lawyer Cynthia Everson, and for his hobby of photography. P.O. is short for Probation Officer.
2. That Brian D. Hill be allowed to prove his innocence period without punishment. That his new P.O. work with the Defendant to allow him to gather evidence and prove his Actual Innocence without fear of penalties.
3. That his new P.O. work with his Pro Bono lawyer Cynthia Everson Attorney AT Law throughout the stages to allow him to get the 2255 Motion ready to file without legal issues.
4. That his P.O. allow him to continue text messaging including his lawyer Cynthia Everson under supervision by his P.O. as long as he continues obeying the laws of the land (state, county, local, Federal).

v.
Defendant, Brian David Hill

Criminal Action No.
1:13CR435-1

HEALTH DETERIORATION REPORT #1/Week 1

The Defendant hereby files documentation with this court on his (Brian D. Hill) health deterioration while in Forsyth County Detention Center since the county jails do not want to implement insulin to carb ratio before every meal, the nurse does the insulin shot 2 or more hours after eating when the blood sugar goes sky high, and leads to diabetic Ketoacidosis which can cause weight loss. The only time the nurse tests the blood sugar and discovers it is low or normal is when the diabetic exercizes a lot to protect health. I am losing weight and am forced to exercize a lot to keep my blood sugar down. Not enough insulin to convert carbs/sugar into energy, so my body uses fat for energy. I am on Lantus but that is not enough to sustain my bodies health. My blood was drawn to lab test my diabetic A1C blood hemoglobin level. Been arrested last Wednesday and has been 1 week and 1 day that I been in Jail. My weight has dropped from 186lbs (est.) to 179.7 (est.) in 8 days. 6 to 7 pounds weight loss total. I declare under penalty of perjury that the foregoing is true and correct.
Executed on June 4, 2015.

Brian D. Hill
Signed

Respectfully filed with the court.
